Secondary contact: Charlie Shultz email address: [shulaski@yahoo.com](mailto:shulaski@yahoo.com)

*Our goal at Shulaski Custom Trail Tools is to provide our customers with safe, high quality, specifically designed trail construction and maintenance tools. Each tool is designed and balanced so the weight is in the head rather than the handle. This makes each swing more efficient with less fatigue to the user.*

*We currently offer two extraordinary types of trail tools.*

*The "Shulaski" (a redesigned Pulaski/adze hoe)*

- \* 1/4" thick AR 200 wear resistant steel head
- \* 40" red anodized aluminum handle
- \* 10" knurled grip.

*The McLeod (3, 4, and 5 prong styles)*

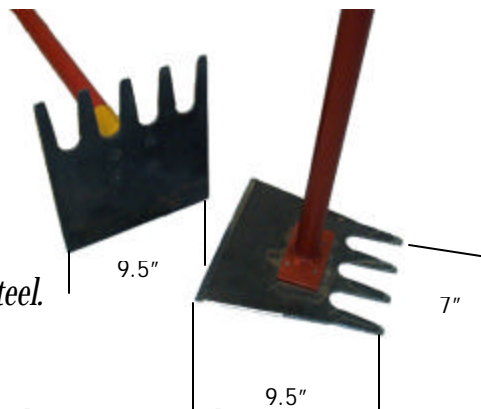

> 3-prong mini-mac

- \* Lightweight
- \* 4.5" wide x 9.5" long blade
- \* 32" rubber coated aluminum handle  
also available as anodized aluminum

> 4 and 5 prong

- \* 50" red anodized aluminum handle
- \* 10" knurled grip

*Each McLeod is made from 3/16" AR 200 WR steel.*

*A special "Gold" Shulaski is available to clubs and organizations looking for a unique way to reward their hardest working volunteers or commemorate a particular project. We offer the*

*Shulaski with a gold anodized handle, and can even personalize the handle with a volunteer's name or project info. Please note: This particular tool is only available for volunteers who have put in at least 100 hours working on trails.*

40"

*We also offer custom fabrication of tool heads and handle lengths to accommodate your special needs. Custom fabrication is priced according to extent of modification.*

*All tools are assembled with hardened grade 9 fasteners.*

*PRICES:*

*Shulaski.....\$100.00 ea.*

*Gold Handled Shulaski \$125.00 ea.*

*McLeod:*

*3 Prong mini-mac...\$65.00 ea.*

*4 or 5 Prong.....\$100.00 ea.*

*IMBA members receive a 5% discount*

*Please note these discounts only apply to the standard Shulaski, Macleod (4 or 5 prong) and the mini mac. All custom tools are subject to normal pricing.*

*Shipping charges are not included in the above pricing.*
